Master Series™

The most sophisticated orthodontic braces in the world.

AMERICAN
ORTHODONTICS

Congratulations!

You have chosen an orthodontist who uses the finest orthodontic appliances available. Master Series brackets have been designed to help your doctor treat you in the most effective and efficient way possible! Because of the unique design of your braces, they are smaller, more comfortable, and promote better oral hygiene. That means your braces will feel as good to you as they look to others.
